

**City of Hewitt
Ordinance #300-002**

AN ORDINANCE REQUIRING AND REGULATING CONNECTION TO THE CITY WATER SYSTEM

SECTION 1: Water Connection Required

When property abuts upon any public street or alley along which water mains have been constructed, and when property is so situated so as to be reasonably capable of connection to the City Water system, the owner of any dwelling, commercial or residential shall connect that dwelling's water system to the City Water system within one year of said City Water system being declared operational by the Council, within ninety (90) days after that date of mailing or delivering official notice to do so. Said notice, if deemed by the Council to be required, shall be given to the owner or occupant in writing by the City Clerk on order of the Council.

SECTION 2: Connection by City

Whenever any owner or occupant fails to comply with such written notice, the Council shall by resolution direct that a connection of that structure with the City water system be made, and that the cost of the connection be paid in the first instance out of the general fund and then assessed against the property benefited.

SECTION 3: All connection to the mains of the City water system shall be in all respects in accordance with the applicable Minnesota State Building code provisions.

Passed and adopted by a majority vote of the City Council of the City of Hewitt this ___ day of May, 2009.
